## SUMMARY

---

Creative and detail-oriented UX/UI Designer with 5 years of experience crafting accessible, engaging digital experiences for web, mobile, and VR. Skilled in user research, prototyping, and responsive design, with a strong foundation in front-end principles. Adept at building design systems, leading user-centered design processes, and collaborating cross-functionally with developers and stakeholders. Familiar with motion design and animation to support intuitive interactions and guide user behavior.

## WORK EXPERIENCE

---

### Product Designer (UX/UI) – Freelance Consultant

*Remote | Jan 2020 - Present*

- Designed responsive mobile and web products.
- Built scalable design systems in Figma to maintain consistency across products.
- Led user research, testing, and iterative design cycles to validate decisions.
- Developed user flows, wireframes, and high-fidelity prototypes with accessibility in mind.
- Collaborated with developers and product managers to ensure seamless handoff and execution.

### Virtual Reality UX Designer and Researcher - Utah Valley University

*Orem, Utah | Dec 2020 - Dec 2022*

- Conducted user research and usability testing to inform interaction design improvements.
- Collaborated with faculty and developers on cross-disciplinary design objectives.

### Life Enrichment Manager and Concierge - Sunrise Assisted Living

*Sandy, Utah | Nov 2019 - Aug 2021*

- Designed engaging, resident-centered activity programs based on user needs.
- Collaborated with staff, residents, and families to improve satisfaction and daily experience.

### Seasonal Swim Coach – Sandy City

*Sandy, Utah | Summers 2019 - 2024*

- Designed and built training plans tailored to individual and team skill levels.
- Mentored athletes on goal setting, discipline, and teamwork in a positive environment.

## EDUCATION

---

Utah Valley University - *Orem, Utah*
